12. RULES COVERING PLAYER MOVEMENT BETWEEN TEAMS

- (a) When players register they will be signing on for the club and not individual teams.
- (b) If a player is picked for a Higher or lower team they are expected to play for that team and if they refuse without an acceptable reason then they will not be allowed to play at all that week.
- (c) Any player who is dropped down a team will be expected to start the game for the lower team unless they have only played in the higher team to help out for one game, due consideration must be given where the player has gone from being substitute for lower team to substitute for higher team. This rule would not include anyone who was unavailable or dropped out last minute without reasonable excuse for the higher team the week before and therefore would not expect to be automatically selected.
- (d) Where higher teams are playing in the County Cup (Due to rules currently stating only 3 subs for County Cup) it would not be expected that the lower teams should take players unless helping that team.
- (e) Players would not be expected to be dropped more than one team unless they have only played for the higher team to help out. Due consideration must be given where the player has gone from being substitute for lower team to substitute for higher team.
- (f) Players from a higher team returning from injury can be included in a squad from a lower team; this does not necessarily mean they start the game.
- (g) Where players from a higher team are dropped down then the higher team must be playing as well, unless it is seen by the manager of the lower team as helping their side out.
- (h) Where a player has been brought in for a higher team as a one off then the lower team should not be expected to take any replaced player unless the manager considers it helps them out.
- (i) On game days where the number of players is limited the managers should look to ensure that each team has at least the minimum of 11 players in all squads. Once minimum is met consideration should be given to even player numbers out across teams.
- (j) No one player from the lowest team (currently 3rd team) may be dropped on a regular basis to accommodate a player from a higher team.
- (k) The aim should be to get the squads finalised by Friday evening at 8pm (when game on Saturday) after which managers could ask for a player to be released to play for one of the other sides but cannot insist on taking someone unless their squad is reduced to less than 13 due to late drop outs.
- (l) Any disputes between managers will be escalated to the Chair and Vice Chair as a last result. Their decision will be final.

13. DISSOLUTION

- (a) A resolution to dissolve the Club shall only be proposed at a General Meeting and shall be carried by the majority of at least three-quarters of the members present.
- (b) The dissolution shall take effect from the date of the resolution and the members of the Club Committee shall be responsible for the winding up of the assets and liabilities of the Club.
- (c) Any surplus assets remaining after the discharge of the debts and liabilities of the Club shall be transferred to Cotswold Area Civil Service Sports Association for use by them related to community sports.
